Ladies, we need your help to get another **Campbell's Labels For Education Minivan**. I have received labels from different Auxiliaries. These need to go to National Home. The UPC Bar Code is what is needed not the front label. Some labels are worth one point and some five points. Please look at page two for instructions.

New **PROJECT ALERT!** The Tyson Project A+. If you eat Tyson's products, you can help the National Home earn money. The National Home Ladies Auxiliary Nursery/Preschool is taking part in a national fundraising program sponsored by Tyson Foods Inc. All you have to do is clip and save the entire Project A+ label from participating Tyson products. Each label we collect is worth 24 cents. 50,000 labels will earn the National Home \$12,000. **Okay, Virginia ladies let's go!** We can help raise that for our children at our Virginia home. All labels should go to the National Home. *What to Look For: On a box- the label SUPPORT YOUR SCHOOL 1-2-3. On a bag- the same label.* I know your friends and families eat Tyson Food Products. Have them save the labels for you. Check website at [www.tyson.com/projectaplus](http://www.tyson.com/projectaplus).

This year we are asking our National Home Chairmen to focus their efforts on raising funds to cover the cost of providing healthcare for the residents. The goal is to raise \$95,000.00! This money will be used to cover medical, dental, and psychological services for the children and families that live at the National Home.

The National Home for children is a very important part of our organization. They need our continued support through the projects above and through our life memberships and simply through our caring for the 114 children and adults now living on campus.

The reports for "**Health and Happiness**" are very slow coming into me. I am sure your donation must be a standing order for your auxiliary each year. Remember this year at State Convention it was voted to give 25 cents per member. Let's be 100% by December 31, 2007.

**AWARDS FOR YEAR 2007-2008**

- 1) Citation for each Auxiliary making their 25 cent contribution.
- 2) Best promotion for life membership program-- \$25.00
- 3) Award to most outstanding fundraising project to National Home.
- 4) Award for most Campbell and Tyson's labels.

(Over)

Sisters, as we continue **"Tradition of Caring through Faith, Hope and Love in our Service to All"** please remember the families who can use our support through the VFW National Home for Children and our programs.

Loyalty,

*Nancy Lee Shifflett*

Please See Below for Direction for how to submit Campbell's UPC codes and "What to Save."

Directions on how to submit Campbell's UPC codes

1. Cut out the UPC code (pictured below) from the Campbell's product. If the UPC code tears or rips, you may still send it. Campbell's accepts the UPC code as long as there is 51% or more of the UPC code. The UPC code will usually have directional cut lines. The little boy on the label does not have to be included for submission, but it's okay if it is.

Clip and send in UPCs.  
See the examples shown below:

2. Please do not send front labels anymore. We can no longer submit them for credit.

3. Before sending your UPC codes, place them in a Ziploc bag or envelope. There is no need to separate, staple, paper clip or tape together. The National Home has volunteers who do this for you. Simply place them in a bag or envelope and we will do the rest.

4. Send collected UPC codes and caps to:

VFW National Home for Children
